The image is a composite graphic. The background is a photograph of a serene landscape: a calm lake reflects the surrounding dense evergreen forest and distant, misty mountains. The scene is framed by a decorative border of various flowers and green leaves. In the top right corner, there is a cluster of bright red poppies and white daisies with yellow centers. In the bottom right corner, there are large, vibrant green leaves. The word "KADIM" is superimposed in the center of the image.
